SUMMER VACATION HOMEWORK PLUS PROJECT

General Instructions for Summer Vacations

Dear parents,

Summer break is the most enjoyable part of school life! It provides time for rest and leisure. This is the time when you get an opportunity to spend quality time with your family and child.

It is true that nobody likes to work on holidays, but school work can be fun-filled too! During summer vacations make your child independent by teaching him/her various activities like:

- Buttoning and unbuttoning the shirt
- Learning to wear shoes
- Learning how to zip their school bag
- Folding clothes, napkins, and mat
- Keeping toys in place after playtime
- Taking care of any pet or plant

Good manners and etiquettes are lifelong assets, they should be practiced until they become a habit. Revise the four magical words: PLEASE, SORRY, THANK YOU, EXCUSE ME.

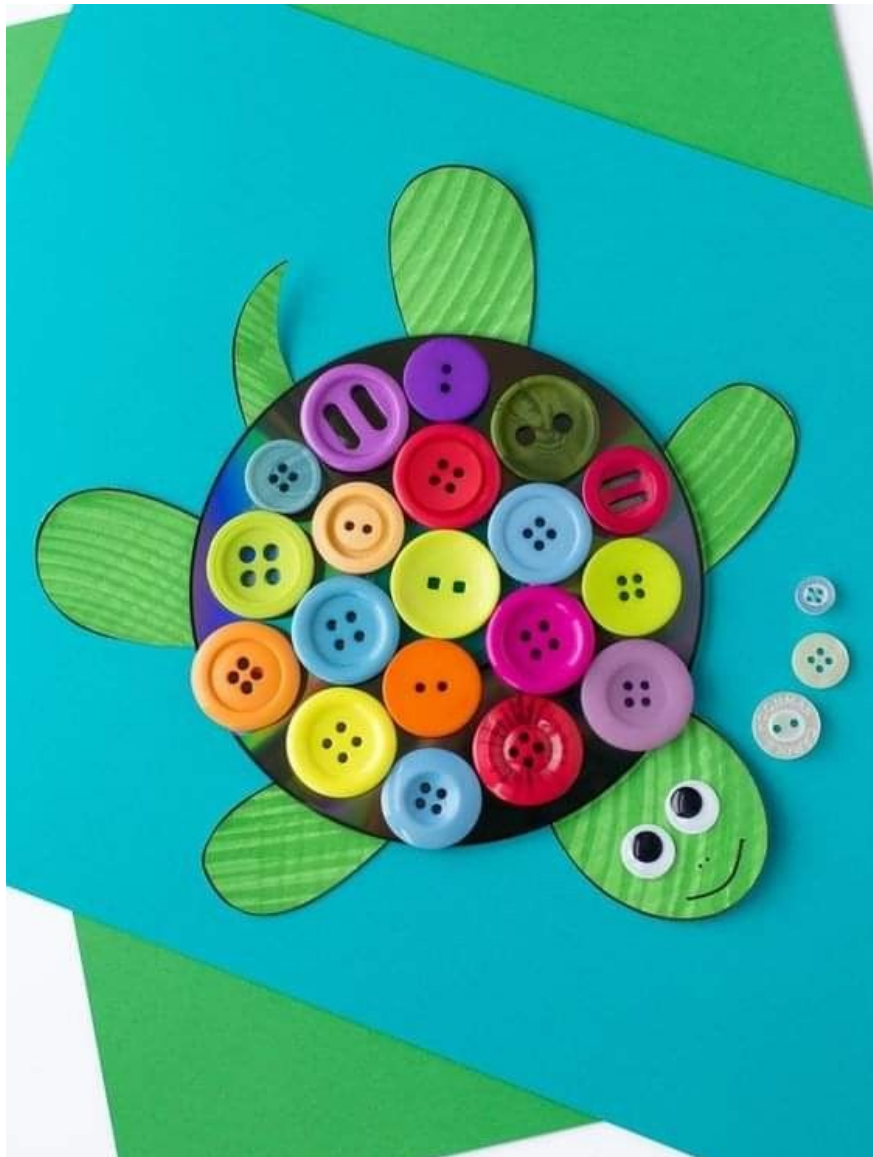

Kindly ensure all the first term syllabus is revised once in the last week of vacation as it becomes easier for a child to retain and adjust in the school after a long break. Homework should be done under parent's supervision.

HOLIDAY PROJECT;

For the first project, the children will be working with yarn and cardboard to create a craft. Your guidance and assistance are requested to help them complete this activity that promotes eye-hand coordination and fine motor skills.

The second project involves using colorful buttons to create sea animal-themed crafts. The children will benefit from your guidance and assistance in completing this activity, which also enhances their eye-hand coordination and fine motor skills.
